**EXHIBIT G**  
**SUPPLEMENTAL AGREEMENT**  
**(Personal Savings Plan)**

G, Sect. 1

**SUPPLEMENTAL AGREEMENT  
(PERSONAL SAVINGS PLAN)**

On this 28th day of September 1999, Delphi Automotive Systems Corporation, hereinafter referred to as the Corporation or Delphi, and the International Union, United Automobile, Aerospace and Agricultural Implement Workers of America, hereinafter referred to as the Union, on behalf of the employees covered by the Collective Bargaining Agreement of which this Agreement becomes a part, agree as follows:

**SECTION 1. Establishment of Plan**

Subject to the approval of its Board of Directors, which occurred on December 7, 1999, the Corporation established Personal Savings Plan for Hourly-Rate Employees in the United States, hereinafter referred to as the "Plan," a copy of which is attached hereto and made a part of this Agreement to the extent applicable to the employees represented by the Union and covered by this Agreement as if fully set out herein, modified and supplemented, however, by the provisions hereinafter. In the event of any conflict between the provisions of the Plan and the provisions of this Agreement, the provisions of this Agreement will supersede the provisions of the Plan to the extent necessary to eliminate such conflict.

**SECTION 2. Administration**

The Corporation shall have the responsibility for administration of the Plan.

Notwithstanding Article VI, Section 6.04 of the Plan, distribution of all assets in the Account of a Participant who has been discharged shall be deferred, unless the Participant otherwise elects irrevocably, pending the final resolution of any grievance over such Participant's discharge pursuant to the Collective Bargaining Agreement.

(1)

G, Sect. 3

**SECTION 3. Non-Applicability of Collective  
Bargaining Agreement Grievance  
Procedure**

No matter respecting the Plan as supplemented by this Agreement or any difference arising thereunder shall be subject to the grievance procedure established in the Collective Bargaining Agreement between the Corporation and the Union.

**SECTION 4. Governmental Rulings**

The Plan and the Plan as it may be supplemented by superseding provisions of this Agreement are contingent upon and subject to the Corporation obtaining and retaining from the Internal Revenue Service a ruling, satisfactory to the Corporation, holding that the Plan meets the requirements of Section 401 of the Code, or any section of the Code which amends, supersedes, or supplements said section, and that any trust forming a part of the Plan is exempt from income taxation under Section 501(a) of the Code, or any section of the Code which amends, supersedes, or supplements said section. In the event the above ruling is not obtained, the Corporation, within 30 days after any such disapproval, will give written notice thereof to the Union.

Notwithstanding any other provisions of this Agreement or the Plan, the Corporation, with the consent of the Director of the General Motors Department of the Union, may, during the term of this Agreement, make revisions in the Plan not inconsistent with the purposes, structure, and basic provisions thereof which shall be necessary to obtain or retain the ruling referred to in this Section 4. Any such revisions shall adhere as closely as possible to the language and intent of provisions outlined in this Agreement and the Plan.

(2)

G, Sect. 5

**SECTION 5. Duration of Agreement**

This Agreement and Plan as supplemented by this Agreement shall continue in effect until otherwise agreed to by the Corporation and the Union.

In witness hereof, the parties hereto have caused this Agreement to be executed the day and year first above written.

Any funds so transferred shall be accompanied by instructions from the Trustee setting forth the Employee for whose benefit such assets are being transferred, and identifying the source of such accumulated funds. Funds transferred from other plans which otherwise would be subject to federal income taxation will be designated as Deferred Savings.

Notwithstanding the foregoing, the Plan may not receive a transfer from another qualified plan if such other plan provides, or at any time had provided, benefits through alternative forms of distribution, including annuities, which are not available under this Plan.

#### 4.03 Rollovers

(a) An Employee may make a rollover contribution, as permitted under Section 402(c) of the Code, into an option or options selected by such Employee in an amount not exceeding the total amount of taxable proceeds distributed by a similar qualified plan maintained by a former employer. The Employee shall designate the IRA or other employer's plan to which assets are to be transferred, and the transfer shall be made subject to acceptance by the transferee plan or IRA. Any such direct transfer shall be subject to Section 401 (a)(31) of the Code.

#### 4.04 Cash or Deferred Arrangement Limitation

(a) The Deferred Savings percentage by the eligible Highly Compensated Employees under the Plan for a Plan Year must meet one of the following tests using the current year testing method:

(i) The actual Deferred Savings percentage of the eligible Highly Compensated Employees is not more than 1.25 times the actual Deferred Savings percentage of all other eligible Employees; or

(ii) The actual Deferred Savings percentage of the eligible Highly Compensated Employees is not more than two percentage points more than the actual Deferred Savings percentage for all other eligible Employees and is not more than 2.0 times (or, such lesser amount as the Secretary of the Treasury shall prescribe) the actual Deferred Savings percentage of all other eligible Employees.

(b) The actual Deferred Savings percentage for the eligible Highly Compensated Employees and all other eligible Employees for a Plan Year is the average of the ratios (calculated separately for each eligible Employee) of the:

(i) Amount of Deferred Savings actually paid over to the Plan trust not later than two and one-half

Art. IV, 4.04(b)(i)

months after the Plan Year on behalf of such eligible Employee for the Plan Year to:

(ii) The eligible Employee's Compensation for such Plan Year.

(c) The amount of Deferred Savings for a Highly Compensated Employee that exceeds the percentage limitations of subsection (a) of this Section 4.04 shall be distributed to the Participant no later than two and one-half months following the end of the Plan Year. The amount of any such distribution shall be determined under a reasonable method selected by the Administrator under applicable tax regulations and will include any earnings attributable to the excess Deferred Savings.

(d) Special Rules

(i) In the event that this Plan satisfies the requirements of Sections 401(k), 401(a)(4), or 410(b) of the Code only if aggregated with one or more other plans, or if one or more other plans satisfy the requirements of such sections of the Code only if aggregated with this Plan, then this Section 4.04 shall be applied by determining the actual Deferred Savings percentage of eligible Employees as if all such plans were a single plan.

(ii) The actual Deferred Savings percentage for any Participant who is a Highly Compensated Employee for the Plan Year, and who is eligible to participate in two or more arrangements described in Section 401(k) of the Code that are maintained by the Corporation, shall be determined by treating all such plans as a single plan. Notwithstanding the foregoing, certain plans shall be treated as separate if mandatorily disaggregated under regulations under Section 401(k) of the Code.

(iii) In the event the limits of Section 4.04 are exceeded, then the actual Deferral Savings percentage

Art. V, 4.04(d)(iii)

of Highly Compensated Employees will be reduced (beginning with such Highly Compensated Employee whose contributions are the highest) until the limits are not exceeded. The amount by which each Highly Compensated Employee's Deferred Savings is reduced shall be treated as an excess contribution. The actual Deferred Savings percentage of the Highly Compensated Employees is determined after any corrections are made. Excess contributions shall be treated as Annual Additions.

## ARTICLE V

### AFTER-TAX SAVINGS

#### 5.01 After-Tax Savings

(a) In lieu of all or part of the contributions an Employee may authorize in accordance with Section 4.01, an Employee may elect to contribute an equivalent amount to the Plan on an after-tax basis. Such contributions shall be allocated to the Employee's Account and shall be vested immediately.

The Employee may elect, by providing appropriate direction to the party designated by the Administrator, to change the amount of such contributions or to have such contributions suspended at any time.

(b) Any change in the rate of payroll deduction authorized by an Employee in accordance with subsection (a) of this Section 5.01 will become effective not later than the first day of the second pay period next following the date on which such authorization is received by the party designated by the Administrator.

(c) The Corporation may limit the amount of contributions to the trust pursuant to subsection (a) of this Section 5.01 if necessary to comply with Sections 5.03, 5.05, and 8.04 of the Plan.

Art. V, 5.02

Art. V, 5.03(a)(iii)

#### 5.02 Transfer of Assets to or Receipt of Assets from Other Qualified Plans

The Administrator may direct the Trustee to accept all of an Employee's funds transferred from a similar qualified plan, and may direct the Trustee to transfer all of a Participant's funds to a similar qualified plan, provided such other qualified plan (1) is maintained by an employer which is a member of a controlled group of corporations of which the Employee's current employer is a member, and (2) permits such transfers, or (3) is a plan maintained by General Motors Corporation as part of an applicable GM collective bargaining agreement. Any funds so transferred shall be accompanied by instructions from the Trustee setting forth the Employee for whose benefit such assets are being transferred, and identifying the source of such accumulated funds. Funds transferred from other plans which otherwise would not be subject to federal income taxation will be designated as After-Tax Savings.

Notwithstanding the foregoing, the Plan may not receive a transfer from another qualified plan if such other plan provides, or at any time had provided, benefits through alternative forms of distribution, including annuities, which are not available under this Plan.

#### 5.03 After-Tax Contribution Limitation

(a) The After-Tax Savings percentage by the eligible Highly Compensated Employees under the Plan for a Plan Year must meet one of the following tests using the current year testing method:

(i) The actual After-Tax Savings percentage of the eligible Highly Compensated Employees is not more than 1.25 times the actual After-Tax Savings percentage of all other eligible Employees; or

(ii) The actual After-Tax Savings percentage of the eligible Highly Compensated Employees is not more than two percentage points more than the actual After-Tax Savings percentage for all other eligible Employees and is not more than 2.0 times (or, such lesser amount as the Secretary of the Treasury shall prescribe) the actual After-Tax Savings percentage of all other eligible Employees.

(b) The actual After-Tax Savings percentage for the eligible Highly Compensated Employees and all other eligible Employees for a Plan Year is the average of the ratios (calculated separately for each eligible Employee) of the:

(i) Amount of After-Tax Savings actually paid over to the Plan trust on behalf of such eligible Employee for the Plan Year to:

(ii) The eligible Employee's Compensation for such Plan Year.

(c) The amount of After-Tax Savings for a Highly Compensated Employee that exceeds the percentage limitations of subsection (a) of this Section 5.03 shall be distributed to the Participant no later than two and one-half months following the end of the Plan Year. The amount of any such distribution shall be determined under a reasonable method selected by the Administrator under applicable tax regulations and will include any earnings attributable to the excess After-Tax Savings.

#### 5.04 Special Rules

(a) In the event that this after-tax portion of the Plan satisfies the requirements of Sections 401(m), 401(a)(4), or 410(b) of the Code only if aggregated with one or more other plans, or if one or more other plans satisfy the requirements of such sections of the Code only if aggregated with this after-tax portion of

Art. V, 5.04(a)

the Plan, then Section 5.02 shall be applied by determining the actual After-Tax Savings percentage of eligible Employees as if all such plans were a single plan.

(b) The actual After-Tax Savings percentage for any Participant who is a Highly Compensated Employee for the Plan Year, and who is eligible to participate in two or more arrangements described in Section 401(m) of the Code that are maintained by the Corporation, shall be determined by treating all such plans as a single plan. Notwithstanding the foregoing, certain plans shall be treated as separate if mandatorily disaggregated under regulations under Section 401(m) of the Code.

(c) In the event the limits of Section 5.03 are exceeded, then the actual After-Tax Savings percentage of Highly Compensated Employees will be reduced (beginning with such Highly Compensated Employee whose contributions are the highest) until the limits are not exceeded. The amount by which each Highly Compensated Employee's After-Tax Savings is reduced shall be treated as an excess aggregate contribution. The actual After-Tax Savings percentage of the Highly Compensated Employees is determined after any corrections are made. Excess aggregate contributions shall be treated as Annual Additions.

#### 5.05 Limitation on Multiple Use

The following provisions apply to prevent the multiple use of the limits set forth in subsections 4.04(a)(ii) and 5.03(a)(ii). To determine if multiple use exists, the Administrator shall calculate the greater of:

(a) 125% of the greater of the actual Deferred Savings percentage or the actual After-Tax Savings percentage for the non-Highly Compensated Employee (non-HCE) group; plus

Art. V, 5.05(b)

(b) the lesser of:

(i) Two percentage points plus the lesser of the actual Deferred Savings percentage or the actual After-Tax Savings percentage of the non-HCE group; or

(ii) 200% of the lesser of the actual Deferred Savings percentage or the actual After-Tax Savings percentage of the non-HCE group.

or

(c) Subparagraphs (a) and (b) above where "lesser" is substituted for "greater" and "greater" is substituted for "lesser."

If this amount is less than the sum of the Actual Deferred Savings percentage plus the Actual After-Tax Savings percentage of the Highly Compensated Employee group, then multiple use exists. If multiple use exists, then the actual After-Tax Savings percentage will be reduced by refunding and then the actual Deferred Savings percentage will be reduced by refunding (each beginning with such Employees with the highest amount of contributions) so that multiple use does not exist.

The Date of Valuation for any such installment payment, partial withdrawal, or total settlement shall be the Effective Date of Withdrawal.

With regard to installment payments, a Participant may elect to receive such payments each calendar month, calendar quarter, semi-annual, or on an annual basis.

Installment payments must be in whole dollar amounts with \$100 established as the monthly minimum amount. A Participant may change or discontinue installment payments at any time by providing appropriate direction to the party designated by the Administrator.

If a terminated Participant does not make an election under this Section 6.04 prior to attaining age 70-1/2, distribution of assets in the Participant's Account will begin not later than April 1 of the calendar year following the calendar year in which the Participant attains age 70-1/2 and shall be made annually thereafter in accordance with Section 401(a)(9) of the Code and the regulations thereunder, including the minimum distribution incidental benefit requirement of Section 1.401(a)(9)-2 of the Proposed Income Tax Regulations.

For purposes of the above limitation, all loans from all plans maintained by the Corporation [or its subsidiaries in accordance with Section 414(b), (c), or (m) of the Code] shall be aggregated.

(b) Loans shall be granted in whole dollar amounts with one thousand dollars (\$1,000) established as the minimum amount of any loan.

(c) Loans shall be granted for a minimum period of 12 months, with additional increments of 12 months as the Participant may elect, to a maximum of five years (ten years in the event the loan is for the purchase or construction of the Participant's principal residence), provided a Participant may not elect a term which will result in repayments of less than \$10 per pay period.

(d) Loans shall bear a rate of interest equal to the Prime Rate prevailing as of the last Business Day of the quarter immediately preceding the date the Participant gives appropriate direction for a loan to the party designated by the Administrator.

The interest rate shall remain the same throughout the term of the loan.

By endorsing and either cashing or depositing the check representing the loan, a Participant shall acknowledge receipt of the Participant Loan Agreement and agree to the terms and conditions contained therein.

(g) Cash equal to the value of any loan granted shall be obtained by liquidating assets in the Participant's Account from investment options in which the Participant has assets, as the Participant may elect.

(h) Repayment of a loan shall be through weekly payroll deductions, except that if the Participant is not an active Employee, such repayments shall be made through monthly installment payments. Payments of principal and interest shall be applied to reduce the outstanding balance of a loan. Loan repayment amounts shall be allocated to the Participant's Account in the same investment option(s) as elected by the Participant pursuant to subsection (a) of Section 6.01. A Participant shall be entitled to prepay the total outstanding loan balance or make partial prepayment at any time without penalty.

(j) A Participant with an outstanding loan who is placed on a disability leave of absence must make installment payments substantially equal to the payments deducted previously from the Participant's paycheck.

(k) No earnings shall accrue to the Participant's Account with respect to the outstanding balance of any loan.

(l) In the event a Participant fails to make a required loan payment and such failure continues beyond the last day of the calendar quarter following the calendar quarter in which the required payment was due, then the Participant shall be irrevocably deemed to have received a distribution of assets in an amount equal to the remaining outstanding principal amount of and accrued interest on the loan, calculated to the date of such deemed distribution.

(m) A Participant (or beneficiary) who, prior to such Participant's repayment of the total principal amount of and accrued interest on a loan, requests or receives a settlement of assets, shall be deemed to have elected a withdrawal, pursuant to Section 6.03, equal to the principal amount of and accrued interest on the loan as of the Effective Date of Withdrawal.

(n) Any appropriate direction given to borrow assets shall be irrevocable, normally as of 4:00 p.m. Eastern Time, on the Business Day such election is received by the party designated by the Administrator.

### **OTHER PROVISIONS**

#### **8.01 Non-Assignability**

Except as otherwise may be provided by Section 6.06, no right or interest of any Participant under this Plan or in the Participant's Account shall be assignable or transferable, in whole or in part, either directly or by operation of law or otherwise, including, without limitation, by execution, levy, garnishment, attachment, pledge, bankruptcy, or in any other manner, except (1) in accord with provisions of a qualified domestic relations order as defined in IRC Section 414(p), (2) a Participant's voluntary assignment of an amount not in excess of 10% of a distribution from the Plan, and (3) further excluding devolution by death or mental incompetency; no attempted assignment or transfer thereof shall be effective; and no right or interest of any Participant under this Plan shall be liable for, or subject to, any obligation or liability of such Participant.

(b) In the event an unmarried Participant does not file a written designation of beneficiaries, such a Participant shall be deemed to have designated as beneficiary or beneficiaries under this Plan the person or persons who receive the Participant's life insurance proceeds under the Corporation's Life and Disability Benefits Program for Hourly Employees, unless such Participant shall have assigned such life insurance, in which case the assets in the account shall be paid to the assignee.

In the event a Participant identifies, in writing, before March 2 following the end of the Plan Year an amount of Deferred Savings as exceeding this limitation, as applied to this Plan and all other plans in which such Employee participated, such amounts will be refunded to the Participant no later than April 15 following the receipt of such written notice from the Participant. In the event the Administrator identifies an amount in excess of the limitation, the Participant will be deemed to have notified the Administrator, and such amount will be refunded to the Participant.

#### 8.06 Provisions to Comply With Section 416 of the Code

(a) In any Plan Year in which the Plan is considered a "Top-Heavy Plan," as defined in Section

Art. VIII, 8.06(a)

(b) The definition of a "Top-Heavy Plan" set forth in Section 416(g) of the Code and the additional definitions set forth in Section 416(i) of the Code are herein incorporated by reference.

(c) If the Plan is determined to be a "Top-Heavy Plan" for a Plan Year, the Corporation shall make contributions equal to three percent of Compensation on behalf of each Participant who is not a "key employee" under Section 416 of the Code.

#### 8.07 Investment Decisions

Any Participant or beneficiary, who makes an investment election permitted under the Plan or otherwise exercises control permitted under the Plan over the assets in the account, shall be deemed the named fiduciary under ERISA responsible for such decisions to the extent that such designation is permissible under applicable law and that the investment election or other exercise of control is not protected by Section 404(c) of ERISA, as amended.

#### 8.08 Special Provisions Regarding Veterans

(a) In the event an Employee is rehired following qualified military service, as defined in the Uniformed Services Employment and Re-Employment Rights Act, that was effective on or after December 15, 1994, such Employee will be entitled to have the Corporation make contributions to the Plan from such Employee's current earnings that shall be attributable to the period of time contributions were not otherwise allowable due to military service. Such contributions shall be in addition to contributions otherwise permitted under Sections 4.01 and 5.01, and shall be made as permitted under this Section and Section 414(u) of the Code.

Art. VIII, 8.06(b)

(b) Additional contributions permitted under this Section shall be based on the amount of Eligible Weekly Earnings and Profit Sharing Amount that the Employee would have received from the Corporation but for the military service, and such contributions shall be subject to the Plan's terms and conditions in effect during the applicable period of military service. Such contributions shall be made during the period that begins upon re-employment and extends for the lesser of five years or the Employee's period of military service multiplied by three.

(c) Additional contributions made under this Section shall not be taken into account in the current year, for purposes of calculating and applying any limitation or requirement identified in Section 414(u)(1) of the Code. However, in no event may such contributions, when added to actual contributions previously made, exceed the amount of contributions allowable under the applicable limits in effect during the year of military service if the Employee had continued to be employed by the Corporation.

(d) If an Employee covered by this Section has an outstanding loan(s) during the period of qualified military service covered by this Section, loan payments shall be suspended during such period, and the time for repayment of such loan(s) shall be extended for a period of time equal to the period of qualified military service.

#### **8.09 Prohibition on Reversion**

The Plan shall be maintained and administered for the exclusive purpose of providing benefits to Participants and beneficiaries and defraying reasonable expenses. Except as provided herein, Plan funds may not revert to the Corporation. All contributions to the Plan are conditioned on their deductibility under Section 404 of the Code at the time made. All or any part of a

Art. VIII, 8.09

contribution for which a deduction is not allowed may be returned to the Corporation within one year of the date of disallowance. Further, in the event contributions are made due to a mistake or an administration error, such contributions may be returned to the Corporation within one year of the date of discovery of such mistake or error.

### **ARTICLE IX**

#### **EMPLOYEE STOCK OWNERSHIP PLAN PROVISIONS**

**9.01** The portion of the Plan that consists of Deferred Assets and After-Tax Assets that are invested in the Delphi Common Stock Fund, including any dividends, earnings or gains thereon (the "ESOP portion" or "ESOP"), is designed to invest primarily in qualifying employer securities as defined by Section 4975(e)(8) of the Code, and is an employee stock ownership plan under Section 4975(e)(7) of the Code. This Article IX applies to this ESOP portion of the Plan.

#### **9.02 ESOP Pre-Tax Savings Limitation**

(a) The ESOP Deferred Savings percentage by the eligible Highly Compensated Employees under the Plan for a Plan Year must meet one of the following tests using the current year testing method:

(i) The actual ESOP Deferred Savings percentage of the eligible Highly Compensated Employees is not more than 1.25 times the actual ESOP Deferred Savings percentage of all other eligible Employees; or

(ii) The actual ESOP Deferred Savings percentage of the eligible Highly Compensated Employees is not more than two percentage points more than the actual ESOP Deferred Savings

Art. IX, 9.02(a)(iii)

percentage for all other eligible Employees and is not more than 2.0 times (or, such lesser amount as the Secretary of the Treasury shall prescribe) the actual ESOP Deferred Savings percentage of all other eligible Employees.

(b) The actual ESOP Deferred Savings percentage for the eligible Highly Compensated Employees and all other eligible Employees for a Plan Year is the average of the ratios (calculated separately for each eligible Employee) of the:

(i) Amount of ESOP Deferred Savings actually paid over to the Plan trust not later than two and one-half months after the Plan Year on behalf of such eligible Employee for the Plan Year to:

(ii) The eligible Employee's Compensation for such Plan Year.

(c) The amount of ESOP Deferred Savings for a Highly Compensated Employee that exceeds the percentage limitations of subsection (a) of this Section 9.02 shall be distributed to the Participant no later than two and one-half months following the end of the Plan Year. The amount of any such distribution shall be determined under a reasonable method selected by the Administrator under applicable tax regulations and will include any earnings attributable to the excess ESOP Deferred Savings.

#### 9.03 ESOP After-Tax Contribution Limitation

(a) The ESOP After-Tax Contribution percentage by the eligible Highly Compensated Employees under the Plan for a Plan Year must meet one of the following tests using the current year testing method:

(i) The actual ESOP After-Tax Savings percentage of the eligible Highly Compensated

Art. IX, 9.03(a)(i)

Employees is not more than 1.25 times the actual ESOP After-Tax Savings percentage of all other eligible Employees; or

(ii) The actual ESOP After-Tax Savings percentage of the eligible Highly Compensated Employees is not more than two percentage points more than the actual ESOP After-Tax Savings percentage for all other eligible Employees and is not more than 2.0 times (or, such lesser amount as the Secretary of the Treasury shall prescribe) the actual ESOP After-Tax Savings percentage of all other eligible Employees.

(b) The actual ESOP After-Tax Savings percentage for the eligible Highly Compensated Employees and all other eligible Employees for a Plan Year is the average of the ratios (calculated separately for each eligible Employee) of the:

(i) Amount of ESOP After-Tax Savings actually paid over to the Plan trust on behalf of such eligible Employee for the Plan Year to:

(ii) The eligible Employee's Compensation for such Plan Year.

(c) The amount of ESOP After-Tax Savings for a Highly Compensated Employee that exceeds the percentage limitations of subsection (a) of this Section 9.03 shall be distributed to the Participant no later than two and one-half months following the end of the Plan Year. The amount of any such distribution shall be determined under a reasonable method selected by the Administrator under applicable tax regulations and will include any earnings attributable to the excess ESOP After-Tax Savings.

Art. IX, 9.04(ii)

#### 9.04 ESOP Special Rules

(i) In the event that this ESOP portion of the Plan satisfies the requirements of Sections 401(k), 401(m), 401(a)(4), or 410(b) of the Code only if aggregated with one or more other plans, or if one or more other plans satisfy the requirements of such sections of the Code only if aggregated with this Plan, then this Section 9.04 shall be applied by determining the actual ESOP Deferred Savings percentage of eligible Employees as if all such plans were a single plan.

(ii) The actual ESOP Deferred Savings percentage or ESOP After-Tax Savings percentage for any Participant who is a Highly Compensated Employee for the Plan Year, and who is eligible to participate in two or more arrangements described in Sections 401(k) and 401(m) of the Code that are maintained by the Corporation, shall be determined by treating all such plans as a single plan. Notwithstanding the foregoing, certain plans shall be treated as separate if mandatorily disaggregated under regulations under Sections 401(k) and 4.01(m) of the Code.

(iii) In the event the limits of Sections 9.02 or 9.03 are exceeded, then the actual ESOP Deferred Savings percentage or the actual ESOP After-Tax Savings percentage of those Highly Compensated Employees will be reduced (beginning with such Highly Compensated Employee whose contributions are the highest) so that the limits are not exceeded. The amount by which each Highly Compensated Employee's ESOP Deferred Savings or ESOP After-Tax Savings is reduced shall be treated as an excess contribution or excess aggregate contribution, respectively. The actual ESOP Deferred Savings percentage or the actual ESOP After-Tax Savings percentage of the Highly Compensated Employees is determined after any corrections are made. Excess contributions and excess aggregate contributions shall be treated as Annual Additions.

Art. IX, 9.05

#### 9.05 ESOP Multiple Use Limitation

The following provisions apply to prevent the multiple use of the limits set forth in Sections 9.02(a)(ii) and 9.03(a)(ii). To determine if multiple use exists, the Administrator shall calculate the greater of:

(a) 125% of the greater of the actual ESOP Deferred Savings or actual ESOP After-Tax Savings percentage for the non-Highly Compensated Employee (non-HCE) group; plus

(b) The lesser of:

(i) two percentage points plus the lesser of the actual ESOP Deferred Savings percentage or the actual ESOP After-Tax Savings percentage of the non-HCE group, or

(ii) 200% of the lesser of the actual ESOP Deferred Savings percentage or actual ESOP After-Tax Savings percentage of the non-HCE group.

or

(c) Subparagraphs (a) and (b) above where "lesser" is substituted for "greater" and "greater" is substituted for "lesser."

If this amount is less than the sum of the actual ESOP Deferred Savings percentage plus the actual ESOP After-Tax Savings percentage of the Highly Compensated Employee group, then multiple use exists. If multiple use exists, then the actual ESOP After-Tax Savings percentage will be reduced by refunding and then the actual ESOP Deferred Savings percentage will be reduced by refunding (each beginning with such Employees with the highest amount of contributions) so that multiple use does not exist.

Art. IX, 9.06

#### 9.06 Distribution of ESOP Dividends

A Participant may elect to receive cash dividends paid on shares of Delphi Common Stock corresponding to the units in the Delphi Common Stock Fund in a Participant's Account, rather than being reinvested in the respective funds, provided the Participant gives appropriate and timely notice of such election to the party designated by the Administrator. Dividends paid directly to Participants pursuant to this Section shall be paid not later than 90 days after the end of the Plan Year.

The Participant or beneficiary will be given an opportunity for a full and fair review by the Named Fiduciary, or its delegate, of the decision denying the claim. The Participant or beneficiary will be given 60 days from the date of the notice denying such claim within which to request such review.

#### **10.07 Confidential Information**

The Administrator, or its delegate, shall be responsible for ensuring that sufficient procedures are in place and followed to safeguard the confidentiality (except to the extent necessary to comply with federal laws or state laws not pre-empted by ERISA) of information relating to the purchase, holding, and sale of securities, and the exercise of voting, tender, and similar rights with respect to such securities by Participants and beneficiaries. (b) distribute as soon as administratively feasible the assets remaining in the trust fund in a lump sum to Participants and beneficiaries in proportion to their respective Account balances.

(c) In the event of termination, or partial termination, or a complete discontinuance of contributions under the Plan, the account balance of each affected Participant will be non-forfeitable.

Dear Mr. Shoemaker:

During these negotiations, the parties renewed their commitment to provide ongoing training programs for Company and Union Benefit Representatives so as to improve the quality of service provided to hourly employees. The parties also recognized the importance of communications programs aimed at educating employees about their benefits.

It was agreed that such training and education programs will be developed jointly and the cost of developing and implementing such programs properly will be paid from the National Joint Skill Development and Training Fund as approved by the Executive Board for Joint Activities. These include, but are not limited to, the following:

- Joint Delphi-UAW Benefits Training Conference may be scheduled upon approval by the parties.
- Continuing education program for Union Benefit Representatives will be provided by the parties. Training sessions will be scheduled for newly appointed Union Benefit Representatives and Alternates as agreed to by the parties. The sessions will concentrate on areas such as eligibility to receive benefits, description and

interpretation of benefit plan provisions, and calculation of benefits.

- Conduct periodic on-site plant surveys and audits to evaluate training and education needs to improve employee service.
- Ad hoc training meetings on legal developments or other special needs.

Attn: Mr. Richard Shoemaker

Dear Mr. Shoemaker:

During these negotiations, the parties recognized the need to move ahead with the development of technological applications to improve the quality of service provided to hourly employees.

1. The parties recognized the need to provide the necessary tools to Local Union Benefit Representatives so that they may improve the service they are providing to hourly employees. Local Union Benefit Representatives require basic information that can be accessed quickly in order to confidently and accurately answer many of the questions they receive. Therefore, the parties have designed a process, the Benefits Data Access System, whereby Local Union Benefit Representatives have access to certain data elements from several benefit data systems. The Benefits Data Access System provides inquiry only access to Local Union Benefit Representatives who complete a computer training program. Access is limited to information for UAW hourly employees at their particular location.
2. The parties jointly will develop and implement a new benefit documentation feature to the existing Benefits Data Access System that will be available to Local Union Benefit Representatives. The System will include

benefit plan booklets, administrative manuals (where applicable), relevant contract provisions and appropriate process descriptions. Upon approval by the Executive Board of Joint Activities, the cost of development, hardware and software requirements, conversion of written documentation, and installation and training, will be charged to the National Joint Skill Development and Training Fund. It is contemplated the benefit documentation feature will be implemented during the term of the 1999 Agreement.

3. The parties further agreed to continue to provide hourly employees with the use of a Voice Response System for inquiry and transactions in the Personal Savings Plan.
4. The parties agree to enhance the Benefit Data Access System to provide the Pension Plan survivor coverage election/rejection and the cost of such survivor option. The cost of development and implementation will be charged to the National Joint Skill Development and Training Fund.

In conclusion, during the term of the new Agreement, the parties pledge to carefully consider every opportunity to improve the quality and efficiency in benefits delivery.

Very truly yours,

Dear Mr. Shoemaker:

During these negotiations, the parties discussed the Corporation's willingness to increase the maximum level at which a Participant can contribute to the Personal Savings Plan (PSP) in the event that legal and regulatory limitations currently applicable to the PSP are modified.

The parties also discussed the Corporation's willingness to allow for the inclusion of a Roth IRA in the PSP if legal and regulatory changes take place which would allow for such inclusion.

The Corporation indicated its willingness to pursue both of these changes with the UAW if the necessary legal and regulatory changes occur.
